Two Story Historic Home

Stately two story brick home on US # 1 but almost entirely secluded by trees. Built in 1931, it has been occupied by the Patterson family almost entirely. They operated Wilmurt Motel and restaurant until it sold and is now closed.

The home was solidly constructed and could easily be brought back to the condition it was in when the owners parents lived there. There is a formal living and dining room as well as a office/den that could be turned into a bedroom. There are three bedrooms upstairs as well as a full bath.

This contains 26.31 acres in timber land but value is undetermined. Listed almost Ten Thousand below county assessed value.
